Our mighty Eagles know
When to stand tall,
Their pride is never too great,
or never too small.
No matter how bad the fight,
or how easy the win,
They always stuck to the job,
and never gave in.
The Eagles worked hard, and
never turned their back.
Even when they lost, they grew
where other teams lack.
What the scoreboard sometimes said,
and what happened in the game,
Never balanced out, for they
just weren't the same.
Good games and bad games,
they came and went,
And left the team wondering
if the time was well spent.
Ask devoted parents, friends
and fans—they know,
The heart-felt fact that
records may never show,
No other team could pass
THEIR test,
For Brentwood Eagles would
always be the BEST!
All this determination, purpose, knowledge,
and strive,
Gave them the hope
to stay alive.
Even when you were down,
you got back up and came through,
And for this fact, you
made us all come to love you.
So, we thank you Eagles, for
the smiles and the fun,
And don't ever forget,
YOU WERE ALWAYS #1!!!!!!

Ski Club-what better way to combine hard work and a good time? The members work throughout the year earning money by car washes, bake sales, and the ever-famous work days. By these activities, members earn points which are turned into a reduction on the final price of the ski trip.

After the hard work, the fun started, Ski Club took off to Utah for a week of skiing. Out on the slopes, the skier learned new skills and a spirit of camaraderie.

A Time To Remember

Time it was,
And what a time it was,
It was ...
A time of innocence
A time of confidences
Long ago ... it must be ...
I have a photograph.
Preserve your memories
They're all that's left you.

Dedication . . .

"The leader of the band is tired
and his eyes are growing old,
but his blood runs through my
instrument
and his song is in my soul,
my life has been a poor attempt
to imitate the man.
I'm just a living legacy
to the leader of the band."

Marla Martin, Assistant Editor

The publication of a yearbook takes not only time and money, but also a great deal of teamwork. I can't imagine how this yearbook could have been made available to you without the work of every person in the Journalism II class. In this edition of the Eagle, we tried to capture the special moments of the 1985-86 school year, and also present them to you in an interesting and different way. We feel proud of our accomplishment, and hope you enjoy your yearbook — because we did it for you.

-Theresa Peters; Editor-in-Chief

Of course I agree with Theresa, but this year as an assistant editor has had its special moments. In the future I hope to gain something from this experience and learn from my mistakes. Despite money shortage and lack of morale, we managed to make this yearbook possible. I will always look back on this year as a year to remember for the rest of my life. I hope to keep the memories in my mind and never let the real world get me down. This year has taught me that even though I didn't come in first always, after high school it doesn't matter.

-Marla Martin; Asst. Editor

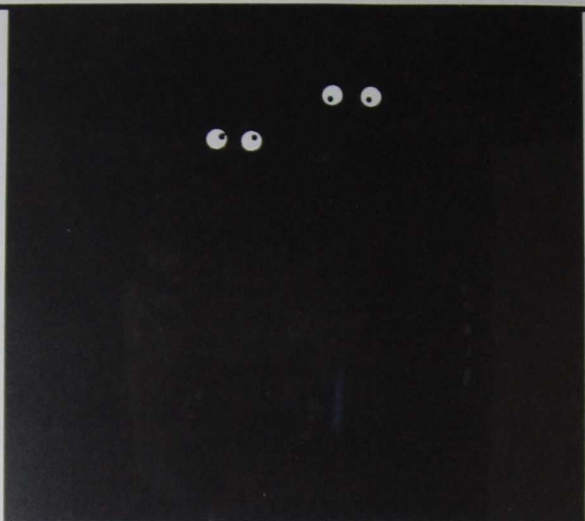

Jerome Misher, Business Manager

To Mrs. Harris:
Thanks for being there when
we needed you, and never giving
up! We couldn't have done
this without you!!
