

BRENTWOOD ALUMNI ASSOCIATION

NEWS FROM THE BOARD

The Brentwood Alumni Association is very grateful to all the members who have paid dues and made donations this past year. We are slowly getting our heads above water, but we are not there yet. We still need members to continue to send in dues. You can pay by cash, check, credit card, and on line through the website. Remember that the last date you paid dues is noted on the address label of your Newsletter.

This has been a good year for the BAA activities. There were many reunions this past summer, and most coincided with the "3rd Weekend in September" festivities. What a great way to get reacquainted with classmates and old friends!

The Hall of Fame inducted four new members this year, and all the inductees were very enthusiastic about the events the BAA had planned for them. They were especially pleased to be in the Brentwood Days Parade, riding in Corvettes. All honorees indicated they plan to attend the next "3rd Weekend in September" All-School Reunion, and one of them indicated he intends to bring his own Corvette to the next event.

Six scholarships of \$2000 each were awarded to graduating seniors this year. The BAA is very proud to be able to make these awards to so many fine students.

There will be a Spring Event, held Tuesday, May 10, 2011, at 7:00 p.m. in the Brentwood School District Administration Building, 1201 Hanley Industrial Ct., Brentwood, MO. All alumni are invited and encouraged to attend. Presentations will be made to inform everyone about the activities of the Board and its committees. Come and learn what is going on and what is planned. Learn about the committees you might be interested in joining, get help with planning reunions, and find out how you might become a more active participant in the BAA. We are always looking for help, suggestions, and volunteers. The Board members will personally cater the event with great hors d'oeuvres. Come one, come all!!!!

FINANCE UPDATE

As the new treasurer of the Brentwood Alumni Association, I would like to thank you for all the generosity you have shown in 2010. Even in these difficult times, you came through so that we were able to give six \$2,000 scholarships to the Class of 2010. The recipients were thankful beyond words.

Do not forget that all contributions are tax deductible and remember us when you do your estate planning.

What a great legacy it would be to have a scholarship given in your name for future generations of Brentwood grads. Please consider attending our Spring Event in May, so that you can get a better sense of what wonderful things this organization does and how all of your contributions greatly help.

Again, thank you!

At "3rd Weekend in September," Walter Henkel '60 said he had something to add for "Down Memory Lane." He remembered why Brentwood Blvd. was blocked off the night Davenport's opened in 1954; it was for a celebration of Brentwood's 35th anniversary.

ROCKIN' MEMORIES FROM 1976

Some of you might remember a night a long, long time ago. The place: Brentwood High School gymnasium. The purple and gold have left the court for half time. From the balcony, the sound of adequately tuned guitars mixes with the faint scent of patchouli. The band breaks into a rather ambitious and lengthy version of Marshall Tucker's "24 Hours At A Time." The crowd pushes forward as the music builds, and then, the music stops. Yes, Coach Titus has pulled the plug. Half time is over and there is a basketball game to play We found all of the old members of the

band known as "Eternity's Breath" and reunited in concert last September 18th. The only ones missing were Kevin Ferguson '75, who passed away in 1991, and Scott Brinkman and Ronnie Halcomb '77, who live out of town. Jamming were Todd Ferguson '77 (guitar), Mark Holland '75 (flute and vocals), Norman "Spider" Reed '77 (vocals), Chris Blasé (drums), Mike Boshans '75 (guitar), and his son Mick '99 (percussion).

BRENTWOOD ALUMNI ENJOY 6TH ANNUAL "3RD WEEKEND IN SEPTEMBER" ALL-SCHOOL REUNION EVENTS - SEPTEMBER, 2010

The Brentwood High School courtyard was the casual gathering spot for more than 200 spirited alumni on a memorable Friday evening that launched a weekend of class reunions, informal get-togethers, and scheduled alumni activities. Alumni were welcomed with purple and gold balloons, banners, class-tables, and a showcase of student art. While many attendees enjoyed getting reacquainted, others took to reminiscing with guided tours of the high school.

2010 HALL OF FAME

After sharing many memorable BHS experiences, the evening was capped off with the Hall of Fame induction honoring four distinguished alumni for their extraordinary post-high school accomplishments. Introductions and presentation of awards were made by HOF Committee Member David Pentland in the high school auditorium. The celebration of new members included:

G. Richard Oscarson
Class of 1953

Michael R. Rooney
Class of 1962

Fred Abrams
Class of 1961

Andee Ide Evers
Class of 1980

Brentwood Days Parade on Saturday marked the beginning of Brentwood Days Celebration. In an extended tribute to the newly inducted Hall of Famers, honorees were led along the parade route in a sporty convertible by Board President, Rita Boshans '56, Carol Colligan '60, Hall of Fame Chairperson, and Mark Madras '74, Board Member and driver. Alumni and families enjoyed the remainder of their Saturday with amusement rides, community booths, and the grand finale gala fireworks display during the annual Brentwood Days Celebration at Brentwood Park.

Cheers of waving crowds acknowledged honorees as they passed in stylish Corvettes driven by Jim Ford '66 and members of the St. Louis Corvette Club.

Not to be outdone by these sleek new vehicles, BHS Class of '41 Board members Maxine Reisenleiter and Norma Murphy rumbled along the parade route in Ronald Vassalli's vintage Model T.

ANNUAL GOLF SCRAMBLE AT PEVELY FARMS GOLF CLUB - 2010

Early damp skies on Sunday morning didn't hamper the spirit of the 37 dedicated golfers that teed-off in the 3rd Annual Golf Scramble at Pevely Farms Golf Club. Players representing 13 different classes enjoyed a fun-filled day of golf strokes and friendship as they challenged the natural beauty of Pevely Farms fairways. The team of Lloyd Hensley, Debret Jenkins, Marco Thompson '78, and Virtus Thomas took "A Flight" honors with an impressive 12 under par. The four-some team of BHS '68 grads Roy Richter, Kurt Rohr, Jim Roberts, and Cliff Potter shot an honorable 68 to win "B Flight". Other players added to the enjoyment of their day with some added cash from the opt-in skins challenge.

SCHOLARSHIP NEWSCONT. FROM PG. 1

George Clements '57, Rita Boshans '56, Dave Pentland '56 or Marcia Werremeyer '66 of your interest. You do not have to be a BAA Board Member to be on the Scholarship Committee.

IN MEMORIAM

DOROTHY E WEYRAUCH '39

July 11, 1921 - July 14, 2010

"One of God's Roses"

Dorothy was a life-long resident of Brentwood, MO. She was a graduate of the Washington University School of Nursing; she proudly served her country as an Officer in the United States Navy (Navy Nurse - World War II and Korean War); worked for many years for the B&O Railroad; returned to Washington University obtaining teaching certification, and retired as an elementary school teacher from the Clayton School District in Missouri.

GARY WILLIS, JR. '02

August 4, 1984 - August 4, 2005

Gary Willis, Jr. attended South County Technical High School and graduated from Brentwood High School. He received a four year Athletic Scholarship to Missouri Valley College. He was an active member of the Rising Star Missionary Baptist Church, serving on the Usher Board and in many singing groups.

PAST REUNIONS – 2010

1955 55th

The class of 1955 gathered at Bob Green's home on White Avenue, where his sister lived during her days at BHS; Judy Green Lynch told a story on herself, that she and her two brothers scrambled every day to avoid being tardy. The party was well attended on Friday evening, September 17, including a few BHS alums of other years.

On Saturday evening, September 18, we cleaned up our act by wearing suits and ties for the gentlemen, while the ladies all looked beautiful in their dresses, as we dined at the Missouri Athletic Club-West, thanks to our hostess, Darlene Brink. On Sunday, we were overwhelmed with all the good food and drinks when Gail Burkhardt Wahlig opened her home for brunch. Many attendees said the entire weekend was the best ever, so mark your calendars for the "3rd Weekend in September" – 2015 and we'll celebrate our 60th.

1965 45th

The class gathered in the BHS Courtyard on September 17, 2010, to begin greeting old friends. We enjoyed cheering for Sue Rooney Brighton's brother, Mike, who was inducted into the BAA Hall of Fame. Afterwards, we headed for Teen Town in the Brentwood Congregational Church hall, which included good music, dinner, and more visiting. On Saturday morning, 40 people enjoyed a fantastic brunch in the home of Lynn and Pat (Bender) Burch; some attended the Cardinals baseball game afterwards. Unfortunately, we lost the game. After dinner at the Trainwreck, we ended our reunion weekend with a great view of the fireworks at Brentwood Days.

A suggestion has been made that we celebrate our 50th reunion with a cruise ... place yet to be determined. Please let Linda know if you would be interested (314) 962-9768 zemanlj@yahoo.com

school, and reminisced. The graduates were so happy to see Pete Willenborg, Jack Head, Earl Brown, Patricia Sellers Steele, and other teachers, just to name a few. The crowd dismissed to The Trainwreck Saloon where they enjoyed seeing more graduates from other years.

The Saturday night event was unrivaled. A gathering was held at the historic Cabanne House in Forest Park. Seventy people were greeted by THE BEAKIE and a BHS cheerleader! Graduates were treated to horse and carriage rides donated by fellow classmate, Pamela Felknor Berra. The carriage rides set the stage for the evening's events, which included highlights of the Brentwood vs Clayton exciting 4th quarter "come from behind" victory which enabled them to remain UNDEFEATED! This huge win was the class of 1970's number ONE memory from high school. Graduates were able to savor that memory over and over throughout the evening. Graduates were also treated to a DVD memory movie created especially for the weekend, a dual set of OLDIES CD's, which included all of the songs that rated highly with the graduates, awards, story sharing, dancing, and much more. A memory tree for those who had passed before them was a touching addition to the evening as well. No one wanted to leave and all agreed that the weekend was a success beyond expectations. They are hoping to gather as often as possible in the future.

The weather could not have been better to welcome the 1970 BHS graduates back to their old stompin' grounds! Friday afternoon, September 17, 2010, started with an impromptu group of friends gathering at the Boathouse in Forest Park for lunch, old stories and laughter. Later that evening a large number of graduates met in the courtyard to kick off the big weekend. They reunited, toured the

ORES – ORGANIZATION OF RETIRED EAGLES Once an eagle. Always an eagle!

That's the philosophy of your Brentwood teachers and staff. The retired eagles gather three times a year for lunch, to share the latest news in our lives, and do a lot of remembering when. In the spring we take time to create "thank you" treats for the current teachers and staff. When one of us has heard from a former student, we share the latest news of what you are doing. I shared an e-mail from Larry Niedershulte that came "out of the clear blue of the western sky." What a surprise from the early 80s! Hearing about Brentwood alums is always the most fun at our gatherings. You, our students, made our Brentwood experience one that doesn't end when our time in the classroom does. We enjoy receiving the BAA newsletter and keeping up with your activities in that way. The one amazing comment we get from all the retired eagles is, "I'm so busy now. How did I ever do all of this and teach, too?" There is a whole world out there that goes out to lunch M-F!

So keep in touch with us and know that we are thinking of you. Thanks for the memories!

Thanks to Mary Beth Powell, ORES for this article

ALUM SPOTLIGHT

ROBERT E. MOLONEY '73

Captain Bobber (Robert Moloney) and wife Sally

Have you ever dreamed of just sailing away to a tropical island? Well, Bob Moloney is doing just that. He and his high school sweetheart, Sally Dengel, to whom he's been married for 31 years, purchased a 32' Bayfield sailboat last April. As you are reading this, they are embarking on a 6-month voyage to the Florida Keys

and then on to Bimini in the Bahamas.

Bob and Sally owned Shamrock Restoration, a contracting business, from 1980 to 1997. They have one child, Leland, born in 1986; he graduated from Missouri University-Columbia, School of Law this past May. In 1988 their family spent fourteen months in Spiddal, Ireland. In 1989, Hannibal, Missouri became their home, with Bob serving as mayor there from 1997 to 2001. In the meantime, he became a commercial lender, working at two banks in Hannibal and one in St. Augustine, Florida, before retiring to St.

Augustine, with eleven years in banking.

Bob reports that he thoroughly enjoyed seeing everyone at the 2008 reunion in Brentwood, MO, and appreciates the hard work of those that made it possible.

Beginning with the purchase of their sailboat in Ft. Lauderdale and taking it home to St. Augustine, you can follow the experiences of Captain Bobber sailing off to beautiful sunsets on his blog site @ <http://www.theseaweedchronicles.com/>.

ALUMNI BOARD MEMBER SPOTLIGHTS

DAVID PENTLAND '56

David Pentland

Upon graduation, David entered St. Louis University, where he earned a degree in Accounting and Marketing. He continued there with a degree in Law.

David's very illustrious career began as soon as he left school. He became active in politics, serving as a committeeman in St. Louis for sixteen years. He was elected to the St. Louis City Board of Aldermen in the 25th ward. After completion of his term as alderman, he was appointed to the Merchants and Manufacturing Tax Board, where he served four years. For the past twenty-one years, he has been serving as Prosecuting

Attorney for the City of Warson Woods.

Professionally, in his law practice, David has represented and defended his clients in St. Louis and St. Louis County for the past forty-five years. David is committed to the St. Louis region community. In law school, he administered the adult education program at St. Patrick Center in St. Louis serving the needy. He has served on the boards of the Mary Ryder Home for Blind Women in Kirkwood and the Prader Willi Association*. He is a past President of the Brentwood Alumni Association, whose focus is to raise money to award scholarships to worthy and needy students. He came home from the scholarship selection process overwhelmed at the quality and achievements of these young Brentwood High adults.

He was elected a Governor of the Missouri

Athletic Club and is a member of the St. Andrews Scottish Society, the Serra Club, the Metro Sr. Golf Association, and is captain for his USTA tennis team. And, David is even a singer! He is President of the MAC Apollo's, which is the oldest standing men's choir west of the Mississippi!!

David has been a resident of Warson Woods since 1984. He and his wife, Debbie, have seven children between them and six grandchildren! They are members of St. Genevieve Du Bois Catholic Church.

**Prader Willi Syndrome (PWS) is a little known complex genetic disorder that typically causes low muscle tone, short stature, incomplete sexual development, cognitive disabilities, problem behaviors, and a chronic feeling of hunger that can lead to excessive eating and life-threatening obesity.*

DEBORAH SUTTERER HOULIHAN '73

Deborah Houlihan

To Debbie, Brentwood is a slice of heaven. Growing up, her father, Clarence "Junior" Sutterer, had multiple service stations in Brentwood, and the family always lived nearby. After graduating from BHS and Meramec Community College, she pursued dental assisting for a few years before entering the insurance business with John Hancock

in 1978. She has been working in financial services and employee benefits ever since. For the last eleven years, she has been managing the office of Mark Cereghino, CLU, ChFC in the Joseph White Building on Brentwood Boulevard across from Brentwood Square.

Her working career has been paralleled by volunteer work with the Juvenile Diabetes Association. In recent years, she has helped plan a lively and well attended class reunion for her former classmates. For the last two years she has been serving the BAA and is now their Treasurer.

Debbie and her husband, Pat, live on Pine Avenue, and their home reflects her enthusiasm for each season with various banners and holiday decorations. They have three children from Pat's first marriage and four grandchildren. In the nice weather, you are apt to see Debbie out briskly walking the lovely neighborhood sidewalks or playing tennis in Tilles Park. She never misses the St. Mary Magdalen picnic or Brentwood Days parade and fireworks. Though she feels fortunate to have traveled extensively, for Debbie, there is no place like her home here in Brentwood, MO.

TEACHER SPOTLIGHT

PATRICIA SELLERS STEELE

Patricia Steele

Pat, a native St Louisan, born and raised on "The Hill," attended St Louis public schools and graduated from Southwest High School in 1962. She decided on a teaching career and where better in St Louis to pursue that career, but at Harris Teacher's College (now Harris-Stowe University). After graduation, and an internship in St Louis, she was hired by the Brentwood School District, where she spent 1 year at McGrath Elementary, and then transitioned to Brentwood High School to teach 'gym' or, more politically correct, Physical Education along side Ms Sharon Ezenauer.

After 9 years at BHS teaching, riding around in her '68 Pontiac picking up new cheerleaders, sponsoring junior classes, washing cars in the high school circle, decorating the gym for senior proms, wall papering the hallway for spirit weeks, selling 'tootsie pops' for girls' t-shirts to play sports before Title 9, and generally having fun, Pat "retired" to raise her daughter, Carrie. If you ask Pat, she would say those were 9 years of excitement, fun, relationship-building and experiences that are still today relived.

However, living in the Kirkwood school district, Pat and Carrie spent 18 years doing what Pat did at Brentwood, except as a mom rather than a teacher. Her husband, John, built a career first at McDonnell Douglas, then with the Department of the Army, and then again at Boeing where he is now working

on designing, developing and building Unmanned Aerial Vehicles (UAVs). Carrie attended Gettysburg College in Pennsylvania, earned a history degree, got her teaching certificate, and followed in mom's footsteps as a teacher and coach at Parkway South High School.

Pat decided to get back into teaching, but this time at local preschools and early learning centers. Teaching 3-4-5 year olds is a love that has lasted 28 years, though she is thinking of "retiring" again. Today, Pat stays busy as a high school volleyball referee and administrator in the Kirkwood Volleyball select club while John coaches. On weekends, she works Estate Sales and continues to collect "trinkets" to add to the collection!

****SPECIAL NOTES****

LINDA DOLLAR '66 was inducted into the Missouri Sports Hall of Fame on Sunday, January 30, 2011, during its 2011 Enshrinement Ceremonies.

As a student athlete at Southwest Missouri State University (SMS), Linda participated in volleyball, softball, basketball, tennis, golf, and field hockey. After spending one season as Head Volleyball Coach at the University of Kansas, Dollar assumed the same position at Missouri State University, a post she held for the next twenty-four years. In that span, Linda's teams compiled a record of 758 – 266 – 21, the second highest win total in Division 1. She was also the first coach to reach the 700 win plateau.

DON RUCH '44, has written a book, "DANGEROUS SOLUTION," and has donated a copy to BAA; it is in the Brentwood High School Library, where it cannot be removed, but folks can read it there. The book is a very intriguing story about a group of ex-military men, who decide on a solution to terrorist bombings; it has an interesting and clever twist and ending..... If you want a copy, try a local bookstore or Amazon. It was published in 2010.
