Eagle

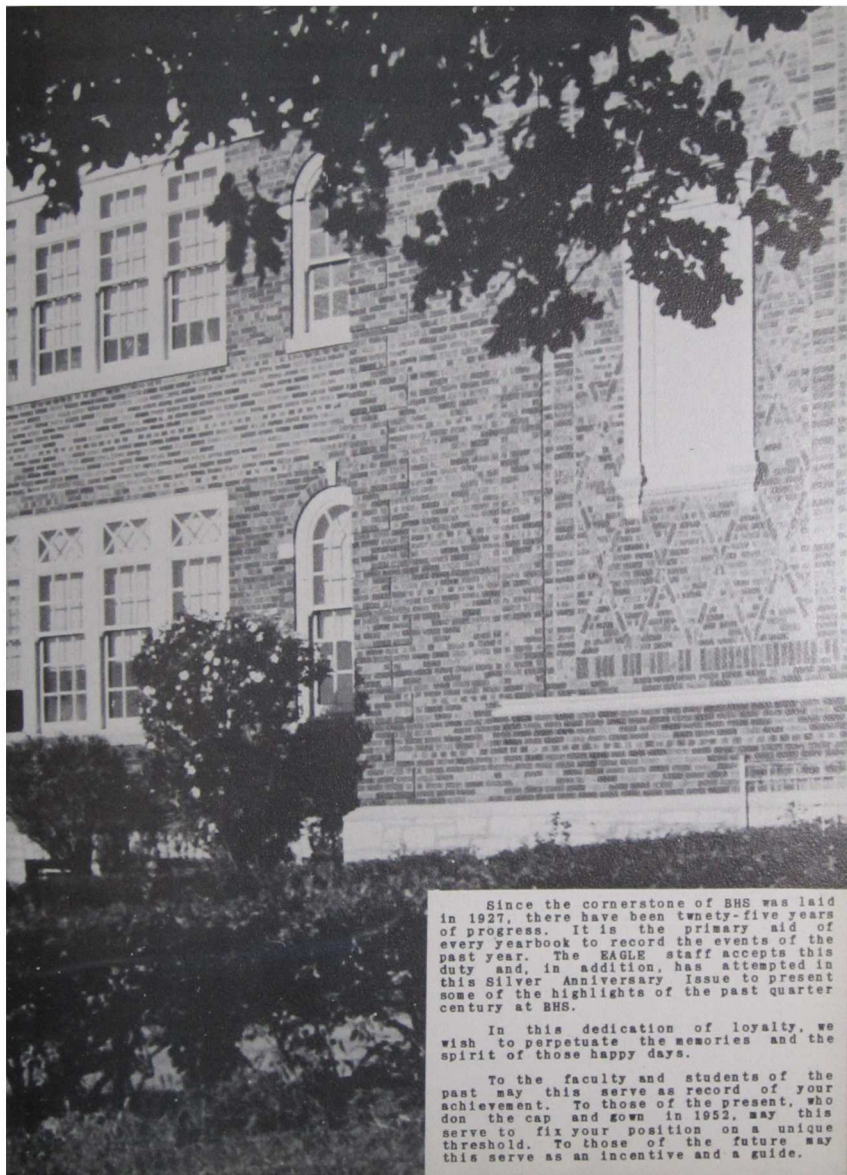

Dedication

In 1928 the entire student body of BHS, 45 in all, met in what is now room 9 for this picture shown above. That same year in the spring the small first graduating class of Brentwood High School celebrated Commencement and posed for the picture below. It was from such small beginning that BHS built over 25 years a school which this year numbers nearly 500 in enrollment and will graduate about 55 on June 1. Of these graduates over 70 per cent will attend colleges and universities, confident in their training received at Brentwood High School which this year was awarded the highest possible quality rating of the State Department of Education. The comparison between 1928 and 1952 is a measure of the progress of our school, and to this we dedicate the 1952 EAGLE.

Since the cornerstone of BHS was laid in 1927, there have been twenty-five years of progress. It is the primary aim of every yearbook to record the events of the past year. The EAGLE staff accepts this duty and, in addition, has attempted in this Silver Anniversary issue to present some of the highlights of the past quarter century at BHS.

In this dedication of loyalty, we wish to perpetuate the memories and the spirit of those happy days.

To the faculty and students of the past may this serve as record of your achievement. To those of the present, who don the cap and gown in 1952, may this serve to fix your position on a unique threshold. To those of the future may this serve as an incentive and a guide.

the 1990s, the number of people with a mental health problem has increased by 50% (Mental Health Foundation 2000). The prevalence of mental health problems is also increasing in children and young people (Mental Health Foundation 2000).

There is a growing awareness of the need to address the needs of people with mental health problems. The Department of Health (2000) has set out a vision for mental health care in the UK, which is based on the principles of recovery, self-help, and community care. The vision is to ensure that people with mental health problems are able to live full and meaningful lives, and that they are able to contribute to society.

One of the key challenges in achieving this vision is to ensure that people with mental health problems are able to access the services they need. This is particularly true for people who are homeless, as they often face significant barriers to accessing mental health services. This paper explores the experiences of homeless people with mental health problems, and discusses the implications for service provision.

The paper is organized as follows. First, we discuss the prevalence of mental health problems in homeless people. Second, we explore the experiences of homeless people with mental health problems, and discuss the implications for service provision. Third, we discuss the implications for service provision, and conclude with some recommendations.

Introduction

Shown here are two views of the high school shortly after its construction. You may wish to compare these with the 1952 view on pages 4 and 5.

Buildings are only a small measure of the progress of an educational system. Yet they are important as symbols of the modern philosophy of education which demands more than a log with a teacher on one end and the pupil on the other. For buildings denote thinking in terms of facilities, space for activity beyond that of pure academics. Art expression, physical exercise, dramatic performance, and development of manual skills are only a few of the needs of today's youth---and tomorrow's citizen---which a building fulfills.

The students of Brentwood High School have been fortunate in attending a school where the Board of Education and administration and faculty recognize and provide for building facilities. Even during the past few years when elementary school needs have necessitated building elsewhere first, the high school program has continued to increase in its varied offerings.

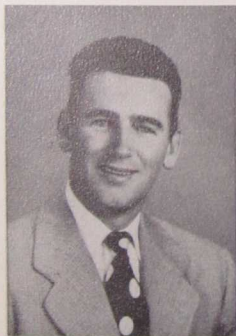

As enrollments increased and the general character of society changed, the Brentwood Board of Education met the new needs with a continuous expansion program. In 1944 a new wing was added to the high school building, providing additional facilities. Now, with BHS recently becoming a six-year high school and with the increased birthrate of the war years about to affect secondary institutions, we are again faced with the need for more buildings. It is to the credit of the Board of Education that such construction is already in the planning stage and awaits but the availability of funds.

Yes, buildings are of themselves only cold unthinking structures, yet in a high school they reflect long and serious thought by many persons with a common aim---education progress.

Prophecy

Do you feel funny? You should because you are being watched. By whom? If you think you can take it, get a grip on yourself. Here goes: On the planet Mars millions of miles away a little man is gazing this very minute fixedly through a super-atomic telescope. This amazing telescope is a development that our scientists will come upon someday soon----Within the next five hundred years----but at present, Mars alone has one. By means of the telescope the funny little man can see you, not as you are now, but what you will be years from now.

The little man's face registers practically every expression imaginable, changing from boredom to horror, from delight to sheer disbelief. Hmmm What could he see that makes his senses run hot and cold? The beam of his super-atomic telescope is aimed at a round ball off in space with patches of blue and green on it. Now it settles toward the bottom of the

ball, in the middle of the biggest blue patch. There is a white object moving over the waves. Inside is RALPH SCHMIDT, the celebrated owner of the million-dollar yacht. Aboard Mr. Schmidt's fabulous yacht are a large number of gorgeous girls. Three private secretaries SHIRLEY DEIMEKE, MARY BETH COFFY, and VELEDA GIBSON are playing black-jack with DEE NELSON, who teaches ballet in the Steerman School of Dance; and DARLENE BRUNOTTE, a teacher-missionary who is going home for a rest, having devoted her strength and energy to the natives of the Amazon River region in South America for ten years.

Not far away on a lonely tropic isle, DAVE BRILLIANT lies snoring in the sun. Alone?

The telescope turns to the right until it comes to the good o'le U.S. As it passes over Hollywood JIM BUSSE is seen starring with GINGER WIATT, the famous red-head of the movies. DIXIE GARDNER is Hollywood's

Prophecy

most noted Choreographer. BARBARA HADDOCK gave up glamorous Hollywood for even more glamorous Broadway.

The money behind half the movies made in the U.S. is supplied by America's "famous four" multi-millionaires. JIM HILL, ED SCHUSTER, TERRY WOLFSBERGER, and CHUCK COMBS.

Right now they're after DIAN KELLER (the second Esther Williams) to teach them now to swim.

Once again the little Mars man's telescope turns away from the West to a large and beautiful city almost in the middle of the green spot---St. Louis. The little man sees many happy families on picnics in their back yards. With their husbands and children are JUANITA VANDERGRIFF, BARBARA MILER, and GALE PARKER.

In the same city there is a huge hospital, and CHARLOTTE GROCE, SUE NICHOLL, and NORMA WEYRAUCH are nurses there.

Before the little man switches his super-atomic telescope to Washington, D.C., he swings it along a beach near St. Augustine, Florida. Among the various assortment of beach combers, guess who holds the number one spot? ARDEN BURKART. KEN ZINGRE isn't a beach comber, but he does have a great big house in Miami.

A little further south, the Everglades, RICHARD TOMPKINS is working on a petroleum scorce. He's a petroleum engineer.

Now the telescope spots Washington, D.C. and at a great big political rally upon the Capitol steps. PHYLLIS ELLIOTT is the first one to speak. Looking on are the new President's little children, whose school teacher is PAT SCHMIDT. She also teaches all the senators' and representative's kids.

RICHARD CONWAY is the president's head auto mechanic. He now works on cars designed by NORMAN RAMSEY. SHIRLEY RUSSELL is a public accountant in the Pentagon.

Turning to New York, the little man sees a bunch of struggling artists. JIM HOSKINS is a fashion illustrator, HARRIET HILL paints covers for "Saturday Evening Post," and NEDRA RIDDLE is a cartoonist for the "New York Times." DEANN MAY is a New York model. DAVE BURNS and GEORGE WILSON are pro basketball players (honest ones!) for one of the New York teams. JERRY DURHAM is on shore leave in New York. He's a Navy ensign. Anchors Aweigh!

After this little man has long since departed from our United States through the eyes of his super-atomic devise, has gone over the Atlantic Ocean, through Europe, across a couple of seas, and is turning his telescope across the Sahara as fast as he can (desert glare hurts his eyes); he stops the telescope in its tracks. There, on the burning desert, leading a glamorous regiment of the French Foreign Legion against some wild, bloodthirsty Touareg Arabs is France's hero and only sixteen-star general, MICKEY LEE.

Last Will and Testament

CHARLOTTE GROCE wills to Joan Conway her ability to look very busy doing absolutely nothing.

DICK CONWAY wills to Bud Harmon his ability to drive slow in Driver's Education.

DAVE BRILLIANT wills to Eric Herrmann his pool table.

GALE PARKER wills to Sherry Doran her ability to be on time to gym class and hopes she gets a locker mate like Sue Nicholl.

JIM BUSSE leaves to Bud Harmon his Feminine File complete with tackmap and also his driving record with hopes he won't try to excell it.

VELEDA GIBSON wills to Gail Schultz and Doris Rhea, her ability to always have a messy locker and to get along in the same manor with Mrs. Schmale in shorthand. DARLENE BRUNOTTE wills to Sue Wineke and June Riegert a year's supply of ~~gum~~ under miscellaneous tables, chairs and desks.

SHIRLEY DEIMEKE wills to Carol Pittman and Carol Sexauer her ability for keeping a straight face while conversing in slumber.

DIXIE GARDNER wills her cunning nickname of 'Garters' to Judy Laws in hopes that she will write a song about it.

BARBARA HADDOCK wills to all future dramatics students her ability to scrub flats.

ELIZABETH KOENIGSFELD wills to Elaine Gates her pleasing personality towards the opposite sex.

DEANN MAY wills to anyone who is able to keep it up, the perfect record of never eating lunch here in the high school.

NORMA WEYRAUCH wills to Bernice Weyrauch her ability to do shorthand and social work in study hall.

PHYLLIS ELLIOTT wills to Sue Wineke her excess of character roles in plays which Sue needs so much and to Caroline Horn her height and shares with her their mutual brothers.

JIM HOSKINS wills his pull with the costodians and maintenance department to Jim Pierce.

SHIRLEY RUSSELL wills to Mary Frances Drake her pretty little red penny from her gym class.

MARY BETH COFFY wills Miss Low to Webster High.

JUANITA VANDEGRIPPE wills to the unsuspecting person the many happy hours of work in the office.

BARBARA MILER wills to the next glee club accompanist, the ability to avoid all wrong notes played in the past four years.

WICKET LEE wills to Fred Sexauer and Buddy Harmon his private seat in Mr. Edwards conference room.

JERRY DURHAM wills his square dancing ability to Bud Harmon and Fred Sexauer.

ED SCHUSTER wills to Coach Lauer one slightly shot duck.

JIM HILL wills to Ron Seeger his ability to make one legged A's in Miss Kluttz's classes.

DIAN KELLER wills to Shirley Parker and Dianne Brilliant her ability to talk so fast so that no one can understand what she is saying.

HARRIET HILL wills her brother to Dianne Brilliant.

NEDRA RIDDLE wills to Anita Del Riddle and Myra Hazel her ability to get along with Miss Low, which was willed to her by Joan Martin.

BOB HENKEL wills to Mr. Kimpton in the interest of science the SHAP to use as he sees fit.

BOB WOLFF wills to Sid Hoskins the title given me by Coach Lauer, 'Floor Burn'

BILL STACK wills to Bruce Williams his ability to drive fast and get away with it.

Last Will and Testament

GEORGE WILSON wills his nose guard slightly used but still in good shape, to next year's varsity.

SUZANNE NICHOLL wills to Diane Brilliant her ability to tease Miss Garvelman and cut up in gym class.

TERRY WOLFSBERGER wills his ability to spike the volleyball in P.E. to Buddy Harmon.

KEN ZINGRE wills to all the teachers a new set of wings.

CHARLES COMBS wills to Pete Bryan, his ability to be a good bench warmer.

ARDEN BURKART wills to Jerry Debandt his bench warming ability.

DAVE BURNS wills to all students his ability to get along with Mrs. Schmale.

RICHARD TOMPKINS wills to Charles Arthur his sport editorship.

PAT SCHMIDT wills to Jackie Barham her one third interest in the EAGLET column, 'Didja Know' in hopes that she can hold her own against the writers of 'Miscues.'

RUTH BRADFORD wills her (foot) 'Powder' blue jacket to Thelma Manser.

PAUL DELLINGER wills to Eric Herrman his ability to speak German.

GINGER WIATT wills her red hair and Irish temper to Myra Hazel.

Activities

The yearbook has made much progress since the first edition that was printed in 1932. 1936 was the first year there were individual student pictures. From 1931 to 1937 it was named the BRENTWOOD SCREAM then it was the BRENTWOOD LOG until 1945 when it was first named the EAGLE. The yearbook had steadily progressed from a stenciled, stapled book to the first printed, leather-bound book in 1946. The EAGLE was first backed by advertising in 1947. Since then the yearbook has rapidly progressed to what it is now--the best ever!

The school paper was first printed in 1932; in 1936 it was reorganized and named the EAGLE SCREAM. In 1944 was highlighted by a new name, the BUZZ, which was brightened up by letters from the alumni on the war fronts and their experiences, editorials on current events and, of course, the most popular column--gossip feature. Until 1951 our paper has always been mimeographed. The new printing is striking improvement.

BHS can be proud of its debating history. It was first organized in 1932; then in 1934 the team won first grouping in a pre-season debate tournament held at Missouri U. The season 1935-36 opened with the defeat of Ferguson by a unanimous decision; we were highly praised in a non-decision debate tournament at Missouri U. In 1937 the debating squad won a cup as champions of the East Central District; we then received a larger cup as second in the state at the National Speech Tournament, where we were rated very high. In that same year we received a charter for membership in the National Forensic League. For placing first in the Annual Invitation Tournament of Westminster College in 1938 we were awarded a silver plaque and a 'three-year' silver cup. In the same year we won the championship of the East Central District, placed second in the state at Columbia, and were rated among the upper 16 teams of the United States in the tournament of the National Forensic League. In 1942 the debaters tied for second in the St. Charles tournament, and tied for first place at the Maplewood tournament in 1946. We attended a state speech tournament in 1947 and received a degree of honor. In 1950 three BHS students took part in the American Legion Speech contest and also in the American Legion Oratorical Contest. In the same year Peg Harkins won the Dale Carnegie Public Speaking Scholarship. Future debaters have a meritorious record to look back upon and live up to.

The dramatic interest of BHS dates back to 1929, when the first play was staged. When the minor play, 'Skidding', was produced in 1934, this three-act comedy was considered the most successful ever given. 1937 was highlighted with a new project in interesting marionette shows. The 'Static-Thespians' dramatic club was organized in 1940 which gave several assembly programs and two Christmas plays. The term of 1944-45 was opened with a mystery 'Black Wing'; other interesting plays were staged throughout the year. In 1946 pantomimes of famous books were given at book week assembly. An original Christmas Cantata was produced in 1940 and 'Nickelodeon' at the Spring Assembly, which consisted of various selections; 'Taming of the Shrew' was presented with the use of stylized scenery. Last year 'Our Town', a three-act play with no scenery, was staged for the senior play. Dramatics has always served BHS for the expression and development of student talents.

The first orchestra was organized in 1932. 1934 was the first year that the BHS orchestra played for a dance. 1935 was an active year for the orchestra, which included playing for assemblies, a Novelty Assembly, the overture for the operetta and for exhibition night. These and other activities were continued in 1936--but with new uniforms! An addition of a stringed trio marked 1937. In 1938 the band played at basketball games, and for school and community meetings while the orchestra performed for plays and a Christmas program. 1942 was highlighted by the orchestra receiving first rating at the State Contest in Columbia, and were entitled along with the soloists and ensembles to go to the National Contest where the band received first honor rating and the orchestra second honor rating. In 1945 five members represented BHS in the all-County Orchestra, and several members also played with the St. Louis Philharmonic. The band gave a Christmas concert, a Spring Concert, and assemblies in 1949 and also entered a contest at the St. Louis County Music Festival. In 1950 the band also attended the St. Louis County Festival along with their other activities. By 1951 the band had 17 members and an addition of a marching band; in addition to performing three concerts they played on 'High School Revue' and the County Festival in new military style uniforms. BHS will always be proud of the achievements of the talents of the music department.

An operetta was first produced in 1932. In 1935 the chorus participated in a Christmas play and a musical together with the orchestra; a three act operetta was also given. In 1936 the chorus was active in the Music Week Program, and in the concert exercises. 1937 was marked with the organization of a Girls' Glee Club, and the use of English Carols in the Christmas play. The Girls' Glee Club sang for the Christmas program, Kiwanis Club, and the Spring Music Festival in 1946. In 1949 a mixed chorus gave two concerts and one assembly, and participated in music for commencement. By 1950 there were 36 in the Girls' Glee Club who sang on radio station KFUP, for the Kiwanis Club, and in a Music Festival in Maplewood. The girls sang on 'High School Revue' in 1951 and also in two concerts and at a Vocal Festival. Through the work of the chorus talent and musical ability has been recognized and found its place for expression.

All-School Play

PINK MAGIC

On November 30, 1951, the all-school play, 'Pink Magic,' was given. This was the first play presented by the dramatics department under Mr. Steerman's able direction and was very warmly received. The story, which took place in Mexico City, offered an opportunity for many characters to create an amusing comedy.

Dramatics

During the year the dramatics department has been very active. They started off the season with 'The Anniversary Antics'. It was composed of short acts put on by students in the drama classes to depict twenty five years in the life of Brentwood High School.

Even before this was completed preparations were being made for the All School Play. After 'Pink Magic' the dramatics department had a rest before starting on individual projects in their respective drama classes. As the result of this the second hour class presented the one act play 'The Happy Journey' for an assembly.

To finish the year the graduating class gave a wonderful production in the senior play.

Yearbook and Newspaper Staff

More nearly resembling a mob than anything else, the entire staff of the joint newspaper-yearbook productions meet in editorial room 12 for the benefit of posterity. Actually, the room was not this crowded during the year as most of the members only reported in with articles or assignments.

The newspaper and yearbook staff of 1952 laid claim to two notable accomplishments: the first commercially printed newspaper in the history of BHS was published every two weeks all year long; this silver anniversary yearbook was the biggest and most colorful yearbook the school has ever had.

With a nucleus of only six persons in the School Publications class last September, the decision to inaugurate the first printed newspaper at BHS was made. Preliminary negotiations with El Patio studios indicated that a paper could be printed very economically if the staff furnished the major portion of the labor. Under the leadership of Editor Sue Nicholl, the first paper, four pages in all, was put out on September 28. Enough copies were printed to give one to each student and teacher. An editorial asking that the student body support the paper with subscriptions was well-received and, with the EAGLES coffers bulging with bucks, the staff was in business.

Some of the highlights of the paper's progress were the cartoons by Nedra Riddle, pictures of current events, the rambling of two humorous columns (Miscies and Didja Know), and the sports coverage of Richard Tompkins. Preceding Christmas vacation the staff outdid itself with a gigantic twelve-page issue in three colors. Throughout the year the paper ranged in size from four pages to six and eight pages.

In the interest of a better appearing paper, the staff purchased a Vari-Type machine. Although it cost \$260 originally, the machine saved the staff revenue each year in the future. Early in the second semester the staff published a Buzz Book listing all students' names, addresses and phone numbers along with facts about BHS and words to songs and yells. A similar directory was published for the Frazier PTA. In each case the revenue was used to provide funds for a better yearbook and newspaper.

"B" Club

Dian Keller, Sec; Helen Hounson, Vice Pres; Darlene Brunotte, Pres; Carolyn Gabbert, Treas.

The 1951-52 athletic season for girls started off with the organization of a new club. The 'B' Club was organized to promote more athletics and better sportsmanship in girls sports.

The activities which the club included were: soccer, basketball, tumbling, volleyball, baseball, and modern dance.

Those girls who participated in four team sports or activities received letters at the end of the year at a picnic given at Tillis park.

The club was under the sponsorship of Miss Garvelman and Mr. Edwards.

Debate Team

The Debate Team, under the efficient supervision of Mr. Steerman, was organized in January for the purpose of debating the national topic, 'All American Citizens Should be Subject to Civilian Conscription in Time of War.'

Soon after the team was organized they began research on the subject. Within a week they had participated in their first debate tournament.

The regular teams were: Affirmative Team - Jackie Barham, and Eric Herrmann, and the Negative Team - Phyllis Elliott and Dave Brilliant. The extras were Pat Schmidt, Sue Wineke, and Dick Oscarson.

The Debate Team poses for the EAGLE cameraman. FIRST ROW: Sue Wineke, Phyllis Elliott, Jackie Barham, and Pat Schmidt. SECOND ROW: Mr. Steerman, Dave Brilliant, Dick Oscarson, and Eric Herrmann.

Introduction

Football

The team of 1928-29.

Basketball

Although BHS had basketball teams before 1932, they were not too well publicized. Therefore, this history will consider only those teams after 1932.

The team of 1932-33, which was the first to receive any acclaim, won ten and lost nine games. They also took first place at the County Tournament at Ferguson.

In 1933-34 our basketballers won 13 of their 14 league games, and also for the league championship with Jennings. The two had split a pair of regular season games, but the EAGLES decided Jennings in the final of the Ferguson Tournament, to take the trophy the second year in a row.

Our teams of the next eight years were mediocre until 1941-42. That year the EAGLES closed the season with an 11-4 record.

In 1943-44 the EAGLES came up with a team which placed three of its members on various all-star teams. Though there is little information available on this team, it is obvious that this was an outstanding team.

The team of 1944-45 had a sensational record of 20-2 while winning both the Bayless and Ferguson tournaments.

During the season of 1945-46 the EAGLES overwhelmed the South County League for the third straight year, boasting an 11-1 record. However, they did not are so well outside the league and ended the season with a 13-6 record.

In 1949-50 our basketball team achieved one of the most successful seasons ever witnessed here, rolling up a 21-9 record. The team won both the sub-regional and regional tournaments going on from there to the first game of the state tournament. The great double-post combination of Bob Reiter and Dave Hitchings led the way for the EAGLES.

The team of 1950-51 again went to the state tournament, but was eliminated in the first game there. They had been runners-up to John Burroughs in both sub-regional and regional tournaments. Bob Reiter, playing in his senior year, was chosen on three district teams.

Our football teams have come a long way since the first BHS squad of 1947. At that time they had one experienced player and lost all of their games.

The coach of our team in 1947 was Carleton Roels who was a twelve letterman at Lawrence College in Massachusetts. He had a lot of coaching experience but not enough time in which to show it as he was succeeded the next year by Bob Sweeney.

The won-and-lost record was the same in 1948, but the team was gaining experience.

In 1949, the EAGLES made football history by beating Coyle, 26-13. They finished the season winning four of their ten games. Two of the boys on the squad were honored by St. Louis newspapers.

The 1950 squad played experienced football never losing badly although winning only three games. It was John Lauer, our present coach's first-year at Brentwood.

Track

Before 1934 track was not a major sport at BHS. This was principally due to the fact that there was no track or athletic field here before that time.

Fred Schmitt was an outstanding miler and half-miler of the year placing high in the state indoor and outdoor meets.

In 1935 our track team captured every regular season meet in which they participated including the league championship. Wayne McIntosh won the state half-mile and Harold Koch placed second in the state high jump.

The team of 1936 continued this successful pace, winning all regular season meets with Robert Prather taking the state high jump.

In 1937 the team won two meets in which it participated, and was edged by four points by Fairview for the league title.

The team of 1938 won three meets and placed second and third in two others.

In 1940 our track team won six meets without a defeat including the league meet.

In 1942 our team won the county league championship for the third straight year and scored 15 points in the state meet.

The team of 1945 again won the league meet and several others, as did the teams of 1944 and 1946 although there is no further information available on these teams.

In 1950 the team participated in eight meets, placing fourth in the District "B" meet. The outstanding member of the squad was Don Oscarson who was one of the better pole vaulters in the area.

Varsity Football

FIRST ROW: Bob Henkel, Dave Brilliant, Joe Martin, Brad Susman, Jerry Durham, Mickey Lee, and Chuck Combs. SECOND ROW: Bud Harmon, Bob Ashlock, Nip Litzsinger, Jim Hill, Terry Wolfsberger, Ken Zingre, and Chuck Howe. THIRD ROW: Bud Stark, George Kenny, Dick Pippert, Pat Kelly, Bud Susman, Bruce Williams, Carlo Schweer, STANDING: Ray Booker, Dave Burns, Milton Hoskins, Jim Busse, and Arden Burkart. Coach Laurer at the Board. Those not present when picture was taken are Frank Bisir, Ronald Sheffler, and Harold Mitchell.

The Brentwood EAGLES opened their 1951 season against an experienced Coyle High School team, losing 20-7. Jim Hill scored the only touchdown to give the EAGLES an early lead but Coyle's 13 lettermen proved to be too much for our gridders.

The EAGLES next game, against Principia, resulted in a scoreless tie. The Brentwood gridders had a touchdown called back on a penalty.

The EAGLES next encounter was with St. Charles. Although they outplayed the Pirates, they lost, 6-2. The St. Charles offense could not get a first down until the last quarter, in which they pushed across the winning touchdown. Earlier the EAGLES pushed the Pirates behind their own goal line for a safety.

Clayton was the EAGLES next opponent, beating them 19-6. The Greyhounds scored in the first quarter but were tied in the third quarter on a run by Durham. They took the kickoff 85 yards for a touchdown however, and were never headed.

BHS then walked over Lutheran, 45-0. Bud Stark scored three times, with Durham and Hill going over for two apiece.

The EAGLES then played a hard fought thriller, bowing to the Maplewood Leafs 13-0. There were numerous fumbles and a lot of passing was done by both sides to keep the crowd on its feet.

Kirkwood was the EAGLES next opponent defeating them 19-0. The Pioneers scored on their third play, but the EAGLES did a good defensive job and almost scored themselves at the end of the first half.

A heartbreaker was the loss to Ferguson, 26-20, in a game which saw the Brentwood gridders hold the lead twice. The highlight of the game was an 85-yard kickoff return by Bob Ashlock to open the second half.

The EAGLES next game, with Webster, was canceled due to the heavy snow and was not replayed.

BHS closed its football season losing to Ritenour, 6-0. The only score came on a 55-yard sprint.

During the season co-captains Pat Kelly and Jerry Durham were elected 'Prep Player of the Week' by the student body in a weekly contest sponsored by radio station KXOK.

Jerry Durham and Brad Susman were given Honorable Mention on the St. Louis Post-Dispatch All-District Team.

Brad Susman and Bud Harmon were elected co-captains for 1952.

Although our basketball team had only three returning lettermen, of which none were regulars, they did a better job than was at first expected of them, losing only two games to schools with enrollments of less than 500.

While compiling a 9-14 record, the Eagles gave up only a point a game to their opponents over the season, compiling a 43 points-a-game average to their opponents' 44.

Brad Susman, the outstanding member of the squad, scored 339 points for a 14.7 average, getting 20 points or more in each of seven games. He was followed by Dave Burns who scored 200 points for an 8.7 average. Dick Oscarson and Sid Hoskins both scored over 100 points for the season.

The Eagles warmed up for their regular season by competing in the Jennings Bowl and the Principia Tournament. They lost their first game of the Principia Tournament to Lutheran, but came back with victories over Country Day and Jennings to win the consolation championship.

Brentwood started its regular season play with an easy victory over Coyle.

Their next encounter was with John Burroughs, and the Bombers proved to be too much for the Eagles as we lost out 60-44.

The Eagles won their last game before the Christmas Holidays against Chaminade, 48-37.

Brentwood participated in the Normandy Christmas Tournament losing their first game to Beaumont, but losing by only seven points to a strong McKinley squad in a consolation match.

The Eagles were then defeated in their first two suburban league encounters by Clayton, 43-28, and Normandy, 54-46.

They held a strong University City team to an 11-point victory, 48-37.

They then defeated Country Day, 36-32, and Wellston, 52-42, before the Suburban League Tournament at Webster Groves in which they lost to U. City once again, 42-21.

Brentwood played two of its better games of the season while losing to Webster, 41-38, and Ferguson, 51-45.

The Eagles were then edged by St. Charles, 50-46, and Maplewood, 57-42, before slaughtering a very weak Maryland Heights five, 63-11. Brad Susman scored 29 points, his season's high, in the St. Charles game.

In their last home game the Eagles defeated a favored Ritenour squad, 57-52.

They then closed the regular season with a 70-56 defeat by Kirkwood.

In the Sub-Regional Tourney they had an easy time with St. Joseph of Farmington, 55-20, but were not so fortunate against St. Francis of Washington, losing, 48-43.

Dave Burns was elected honorary captain of this year's squad, and Brad Susman and Dick Oscarson were elected Co-Captains for 1952-53.

"B" Basketball

FRONT ROW, left to right: Bud Susman, George Kenny, Nip Litzsinger, Bob Kohly, holding ball, Ray Booker, Dick Pippert. BACK ROW: Jim Bender, Jim Glass, Tom White, Bob Cooper, Dave Keller, Bud Stark, Bob Ashlock, Coach John Lauer.

Our 'B' team had a fine season, winning 13 while dropping five, and averaging 30 points a game to their opponents' 25. They also out-scored their opponents over the season, 546 points to 453 points.

Ray Booker, Dave Keller, and Bob Ashlock were the only boys who returned from last year's squad, but a sensational freshman--Bob Cooper--combined his talents with these boys and George Kenny to mold a solid first five.

Cooper averaged 7.8 points per game followed by Ashlock with 6.6 and Booker with 6.0.

The 'B' team opened their season with a 29-27 victory over Coyle. They then edged a tall John Burrouzhs team 32-25, and Chamaine 23-21.

They had a long layoff over the Christmas holidays but were not too stale to defeat Clayton, 30-27.

The team then met with defeat for the first time losing to Normandy, 34-32, in overtime. Bob Cooper contributed his season's high of 14 points in this game.

The EAGLES next opponent was University City whom they outscored 27-22. Wellston was their first easy game of the season as they won easily 43-20.

Webster was the first team to beat them badly, winning, 42-25.

The EAGLES thin-edged Ferguson, 22-18, and followed up with a 26-22 victory over St. Charles.

Maplewood proved to be too rugged for us, and we were at the bottom of a 41-20 deficit at the game's end.

The EAGLES then slaughtered Maryland Heights, 41-2, with almost everyone scoring and playing.

They then defeated Ritenour in their last home game, 41-23.

The 'Bees' then defeated Kirkwood, 30-21, to end their regular season.

They entered the 'B' team tournament at University City winning their first two games, 42-20 over Wellston, and 38-29 over Ferguson. Bob Ashlock scored his season's high of 14 points in the Ferguson game.

Maplewood put the 'Bees' out of the running in the tournament, 23-15. They were then defeated by St. Charles in a Consolation match 37-30.

Girls' Athletics

PLAY DAYS

On April 26 there was a South County Play Day held at Hancock and Bayless from 9-12. Ten girls from the senior high were chosen to participate in volleyball, softball and kickball games and square dancing.

The 24th annual high school play day was held on April 5th at Southeast Missouri State College in Cape Girardeau. The day began at 9:00 and ended with a reception at 4:00. Eight girls and Miss Garvelman represented Brentwood.

Volley Ball

The volleyball season opened March 26 with the seniors playing Webster. The juniors and sophomores also played Webster. All three teams met against Kirkwood and the juniors and seniors played Clayton. The freshman had only one game, which was with Wydown.

The varsity played Webster, Clayton, Maplewood and Kirkwood to finish out the volleyball season.

Softball

Only varsity softball games were scheduled this year. The girls played Clayton, Kirkwood, Webster, and Maplewood. Softball closed the 1951-52 girl's athletic season.

Girls' Varsity

Basketball

The 1952 girls' varsity basketball season began with the BHS team playing Kirkwood at Kirkwood. The girls were slow in getting started and the game ended with Kirkwood victorious.

The second varsity game was played against U. City, who played a fast, tight game, again leaving the BHS girls behind at the end of four quarters.

Miss Garvelman said that she thought the girls were good sports and real fighters, although they play too slow a game against their competition.

----	--------	----

On the first day of school in 1928, twenty-six students gathered in room 1. They were the first freshman class of the new Brentwood High School.

In the fall of 1929, Brentwood had its first girls' soccer team, and in May, 1930, the first prom queen, June Bryant, was crowned. In 1934, the senior class presented a basketball scoreboard to the high school. Brentwood's basketball team has gone to both Ferguson and Normandy tournaments many times over the years. In 1950, the Eagles won the sub-regional basketball title.

Helen Clark was the first Football Prom queen in 1949. The first year-book queen and king were crowned in May last year, 1951; the queen, Barbara Brown; the king, Jim Holmes.

Bob Rieter is probably the most outstanding basketball figure in Brentwood's history. In 1951, Bob was placed on the All-district squad in both the 'Star-Times' and the 'Post-Dispatch'. In the 'Globe-Democrat's' poll to find an all-opponent team, Bob drew the most votes in the district. All-suburban league honors were also included.

Queen

MISS JOAN CONWAY

The third annual Football Prom was held on November 21, 1951. Under decorations of purple and gold the largest crowd ever to attend the Football Prom, danced to the music of the 'Tunesmiths'. The prom was sponsored by the 1951-52 football team, with Coach John Lauer as the advisor. Miss Joan Conway was crowned queen of the Football Prom by retiring queen Miss Shirley Russell. Miss Joan Becker, First Maid, and Miss Patricia Blair, Second Maid, completed the court. The queens were escorted by last year's co-captains, Jerry Durham and Pat Kelly, the maids by new co-captains Brad Susman and Bud Harmon.

Prom Queen

Although the charming girls shown on this page do not reign in their respective capacities until after we go to press with the yearbook, the junior class sponsors conducted the balloting early so that we might record the smiles which will hardly be wider on that great day in May. The Queen, Darlene Brunotte, is a most deserving person for such high honor. A good student and loyal friend, she has been an energetic member of the yearbook and newspaper staff where she served as copy editor. Darlene plans to teach. First Maid this year is our own news editor, Dian Keller. Gale Parker, a former copy editor on the publications staff, completes a trio of royalty for the biggest of all social events at BHS.

First Maid

Second Maid

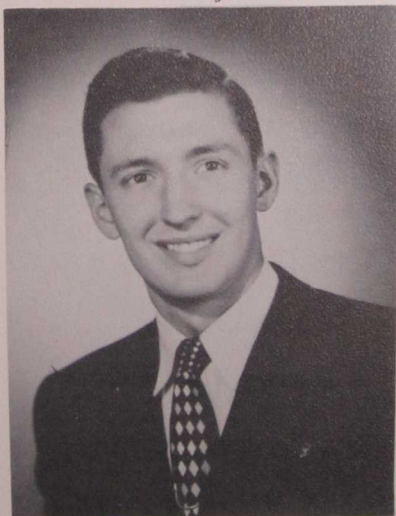

Queen

In this, the second annual EAGLE king and queen election, the results entirely justified our confidence in the student body of BHS to pick two outstanding leaders. Dian Keller has been active throughout her career at BHS in both academic and social activities. A leader and example of the best in sportsmanship in athletics, Dian also found time to be a good student and to serve as a capable news editor for the EAGLET. Ralph Schmidt has served well in the role of President of the Student Council, a job that has considerable responsibility attached to it. To both of these persons, and to the electorate which rewarded their efforts, go our congratulations.
